

AGAVE HOTEL

AWAITS YOU TO DISCOVER ITS BRAND-NEW LOOK

Greece, January 2025

We are proud to announce that Agave Hotel located in Santorini has recently changed ownership and is under new management since 22nd of January 2025. Specifically, the hotel has been acquired and is now managed by Filippos Michopoulos IKE from the previous owners Antonakakis Techniki A.E..

We are looking forward to hosting our guests at our hotel, offering the same familiar Greek hospitality; as far as that goes, certainly nothing has changed here at Agave Hotel. Treating our guests with the best of care remains our top priority.

About The Hotel

Perched on the caldera's edge with sweeping views of the Aegean Sea, the world famous sunset and Santorini's iconic volcano, this boutique hotel offers an intimate escape in the enchanting village of Imerovigli. Nestled in one of the island's most picturesque locations, the hotel blends the timeless elegance of Cycladic architecture with contemporary minimalist design.

Inspired by the soft, earthy tones of the agave cactus, each of our 10 thoughtfully designed rooms features a double bed, natural textures, and a soothing palette of pale greens and greys—inviting guests into a space of effortless calm and understated luxury.

Whether you're here to unwind, explore, or simply take in the view, our boutique haven invites you to experience Santorini from a truly unique vantage point.
